	GAS MAIN		NO PIPES VISIBLE

General Notes

- Parcel Area=0.467 Acres
- Horizontal Datum is in a assumed coordinate system and bearings are consistent with bearing system shown on Map of Part of Lots 2328 thru 2331 Inclusive on the Map of Motor Parkway Acreage by Peter J. Van Weele & Co., Dated March 5, 1990.
- Elevations shown on this map are in an assumed datum with the Entrance Elevation of the building being 500.00.
- Boundary as shown on Map of Part of Lots 2328 thru 2331 Inclusive on the Map of Motor Parkway Acreage by Peter J. Van Weele & Co., dated March 5, 1990. Map is to be used for building department use only.
- This survey was prepared without the benefit of an abstract of title and is subject to any state of facts that may be revealed by an examination of such.
- Locations of underground utilities shown on this survey are approximate. RLT Engineering, Geology and Land Surveying, P.C., a LiRo Group Company, cannot guarantee the location of underground utilities and structures. The standard of care used by RLT Engineering, Geology and Land Surveying, P.C., a LiRo Group Company to locate the utilities is reasonable and consistent with the local standard of care used to locate the underground utilities. Locations and size are based on visible surface evidence observed in the course of this survey. Prior to excavation or construction the location, size and type of all underground utilities must be verified by the respective utility companies.
- Easements in existence or of record, if any, not shown.
- Adjoining owners taken from Suffolk County Real Property Tax Service Agency.
- Offsets or dimensions shown hereon from the structures to the property lines are for a specific purpose and use and therefore are not intended to guide the erection of fences, retaining walls, pools, patios, planting areas, building additions or any other construction.
