Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?		
2. Will the proposed action result in a change in the use or intensity of use of land?		
3. Will the proposed action impair the character or quality of the existing community?		
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?		
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?		
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?		
7. Will the proposed action impact existing: a. public / private water supplies? b. public / private wastewater treatment utilities?		
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?		
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?		

	No, or small impact may occur	Moderate to large impact may occur
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?		
11. Will the proposed action create a hazard to environmental resources or human health?		

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

**INSTRUCTIONS FOR NOTIFICATION SURROUNDING
PROPERTY OWNERS AND SAMPLE NOTIFICATION LETTER**

Prior to the Planning Board public hearing, all property owners within 200 feet of the subject parcel must be notified. It is the applicant's responsibility to obtain an accurate list of surrounding property owners from the Town of Islip Planning Department and to notify surrounding property owners of the time and date of the Planning Board Public Hearing. The procedures below must be followed:

1. <u>MAP & LIST</u>	A 200 foot radius map and a list of all property owners within the 200 foot radius must be obtained and submitted with the application. The applicant must acquire a radius map and list from the Town of Islip Planning Department (https://islipny.gov/community-and-services/documents/planning-development/planning-division/313-map-request-application/file). If the applicant owns or has an interest in property contiguous (adjacent) to the subject parcel, the list shall include property owners within 200 feet of the contiguous property.
2. <u>NOTIFICATION</u>	After you submit a complete application, the Planning Department staff will review it and schedule it for a Planning Board public hearing. You will be notified of the date of the Planning Board public hearing; you are then required to <i>notify the surrounding property owners as they appear on the notification list at least ten (10) days prior to the hearing.</i> Please review the attached sample notification letter and follow its format. <i>The notification must be certified mail, return receipt requested and submitted to the Town prior to the public hearing. To ensure proper notification is met, a copy of the notification letter should be submitted to the Engineering Department for review prior to mailing.</i>
3. <u>SIGNS</u>	The applicant is required to post <i>PUBLIC NOTICE SIGNS on the subject parcel at least ten (10) days prior to the hearing.</i> These signs are available at the Planning Department for a fee (https://www.islipny.gov/community-and-services/documents/planning-development/planning-division/308-fee-schedule-for-the-planning-division). At least three (3) signs shall be posted on the perimeter of each parcel in conformance with §68-32C(2) of the Code of the Town of Islip. <i>These signs should be removed immediately after the public hearing is held.</i>
4. <u>AFFIDAVIT</u>	After the applicant has mailed the notification letters and posted the PUBLIC NOTICE signs on the property, the applicant shall submit an Affidavit of Notification and Posting and proof of mailing to the Planning Department. A copy of this Affidavit is attached hereto.
