Dear Islip Residents,

The Islip Town Board and I are pleased to present the 2017 Winter/Spring issue of the Recreation News. We hope you will take advantage of the many activities and educational opportunities available as we head into the winter months. Please be sure to review our exciting 2017 trip line-up, which you will find in this issue.

Some of the exciting events this winter are the 31st Annual **“Just Say No to Drugs” Sharpshooter Basketball Contest on February 25th**. This fun-filled afternoon brings together the top 4th and 5th grade basketball performers from Islip’s public and private schools, in an exciting athletic competition. Please call the Town of Islip Sports Office at **(631)224-5404** for more information. The Town’s **FREE**

**Boater Safety Course** will be offered five times over the next few months and each course will entail one, 8 hour Saturday class. The certificate earned in this class will last a lifetime. Please call **(631)224-5430** to register. The Town of Islip, in conjunction with Live.Love.Bark Dog Rescue, will host a Community Service Project beginning February 9th through May 18th.

Please remember to visit our website at [www.islipny.gov](http://www.islipny.gov) and sign up for our Town’s informative e-Alert program. E-Alerts are the fastest way to receive important announcements and information as soon as it becomes available.

Please do not hesitate to call us should you have any questions about our programs and parks. The Parks Department can be reached at **(631)224-5411** and will be happy to assist you.

## TODDLER TIME ... A TRANSITIONAL CLASS (PARENT & CHILD PROGRAM)

This program is designed to help parent and child navigate the transition from being at home with parents to pre-school, reducing separation anxiety in a safe fun-filled environment. This will be followed by instructors leading children in constructive playtime separate from their parents. Build on your toddler's emerging skills, make new "parent" friends and leave the mess to us. This class is perfect for parents planning to enroll their child in a Town of Islip pre-school program. Snack provided for children, but please bring a spill-proof drink for your child.

\*Parents must remain at the Recreation Center for the entirety of the program.

## CREATIVE PLAY (4 DAYS PER WEEK)

Enroll your child in our Creative Play program, where children learn by doing! And because play is a natural building block, each day will be fun-filled *and* a learning experience. In this program, instructors will guide your 3 or 4 year-old child through constructive play, offering opportunities to interact with peers, participate in a group, learn to share, negotiate and problem solve. Classes will provide a variety of planned activities geared to stimulate your child's physical, emotional and social development. Classes are 2 hours long, meet 4 days per week and class size is limited. All parent/guardians will be required to attend a 'Parent-Instructor Orientation' prior to the first day of class. Town policies and procedures will be discussed, followed by a question-and-answer period. Child must be 3 years old by December 31, 2017, and **completely** toilet trained.

## CHILDREN'S PROGRAMS

### CREATIVE PLAY (4 DAYS PER WEEK)

Enroll your child in our Creative Play program, where children learn by doing! And because play is a natural building block, each day will be fun-filled *and* a learning experience. In this program, instructors will guide your 3 or 4 year-old child through constructive play, offering opportunities to interact with peers, participate in a group, learn to share, negotiate and problem solve. Classes will provide a variety of planned activities geared to stimulate your child's physical, emotional and social development. Classes are 2 hours long, meet 4 days per week and class size is limited. All parent/guardians will be required to attend a 'Parent-Instructor Orientation' prior to the first day of class. Town policies and procedures will be discussed, followed by a question and answer period. Child must be 3 years old by December 31, 2017, and completely toilet trained.

**Activity #: 314100**

**Age:** 3 - 4 years

**Days:** Tuesdays - Fridays

**Time:** 1:30 pm - 3:30 pm

**Dates:** September 13, 2017 - June 8, 2018

You may register your child for the fall 2017 program as of Wednesday, January 18, 2017, at 9 am for any remaining openings. A current Town of Islip Recreation Card and your child's birth certificate is required for registration. Classes will start Wednesday, September 13, 2017. Registration remains on-going until classes are full. A copy of your child's immunization record including the name, address and phone number of the child's physician is required at the "Parent-Instructor Orientation."

In addition, a party fee of \$15 is collected in September and January. Fees are not pro-rated because of holidays, weather closings, absences or "short months." # GOLF COURSES

## BRENTWOOD COUNTRY CLUB

Brentwood Country Club concluded its 2016 season on Dec. 18 and will reopen on March 16, 2017, weather permitting. During the upcoming off-season, the course will be undergoing reconditioning in preparation for the 2017 season. Damaged trees and removal of underbrush will be completed to create quality airflow, which will result in a healthier turf grass environment. This, in turn, will assist in the resistance of heat damage to the course throughout the season. The newly acquired triplex mower and greens roller will produce a higher-quality product resulting in faster and more consistent putting surfaces. This fall we continued our seeding program to ensure the quality of the tee boxes and fairways. In addition, over-seeding and fertilization of the greens will continue in preparation for the 2017 season.

I look forward, with great optimism, to what lies ahead for the 2017 season at Brentwood Country Club. In the meantime, enjoy the downtime of the off-season. Thank you for your continued support and I will see you in March 2017.

Doug Jansen  
Head Golf Professional

## HOLBROOK COUNTRY CLUB

The course is closed for the winter and will open again mid-March 2017. We have continued improving conditions on the course: Green speeds have increased due to newly acquired greens mower, and a modern pump and well system was installed for increased irrigation efficiency. Visit the website for opening dates, reservations, lessons and more. Have a safe and healthy winter. See you in the New Year.

## IAM SLIDE SLAM SERIES 2017

The Islip Art Museum will host a series of Slide Slam Events in collaboration with various arts organizations, museums and galleries. Fifteen artists will have five minutes each to present their artwork to an audience filled with curators and arts professionals! Please join us and be introduced to a variety of artists that may be a fit for your venue or gallery. The Slide Slam Series focuses on creating opportunities and merging LI's creative clusters in efforts to address the lack of national awareness for Long Island's thriving artistic community. This special programming will consist of three Slide Slam events serving to unify LI's creative clusters by creating numerous substantial opportunities for artists through collaboration with other organizations, curators, collectors, arts professionals and collectives. As a result, we hope to strengthen the collective artist presence on Long Island and be considered as a whole, such as our neighboring arts communities such as Brooklyn/Dumbo, Hudson and the like.
