Dear Islip Town Residents,

The Islip Town Board and I are pleased to present the Winter/Spring 2024 issue of the *Recreation News*. We hope you will enjoy this latest edition, and take full advantage of the activities and educational opportunities available to all of our Islip residents and families as we head into the New Year.

The 38th Annual Sharp Shooter Basketball Contest will return to the Town of Islip on **March 2nd, 2024**. The contest gives 4th and 5th grade students across the Town the opportunity to not only build upon their basketball skills acquired in their physical education classes, but to also participate in a fun, competitive experience. First place

winners in each grade advance to the Town-wide finals, which is truly a fun event for both participants and audience alike.

The Town of Islip **Boater Safety Course** is available once again. Please see page 9 for course details. Upon completion, you will have the necessary needed certification to satisfy NYS Brianna's Law, which requires all operators of motorized vessels **regardless of age, to hold a boating safety certification by January 1, 2025**.

We are happy to once again host our **Annual Job Fair for 2024 Summer and Part-time positions**. Check out page 3 for the dates and times the job fair will take place. Applications for summer and part-time employment will be accepted in the beginning of January. So if your teen enjoys working with children or lifeguarding, please have them apply. Applications can be found on the Town's website, www.islipny.gov. For more information please **call (631) 224-5406**.

The Town offers a wide variety of **summer camps**, which can be previewed beginning on page 45 of this issue. Please take a moment to review the wide array of camps available for your child for Summer 2024.

This spring, the Town will host a **Music Festival on the Fairway** on at the Holbrook Country Club. **Admission is FREE!** See page 16 for more information.

Did you know Town of Islip **E-Alerts** are the fastest way to receive important announcements and information as soon as it becomes available? You can sign up by going to our website at www.islipny.gov

Please do not hesitate to call us should you have any questions about our programs. The Parks Department can be reached at **(631) 224-5411** and will be happy to assist you.

**A MESSAGE FROM
ANDY WITTMAN
Receiver of Taxes**

Dear Residents:

Winter is knocking on our door once again and I would be remiss if I did not remind you that your tax bill should be arriving at your home no later than December 20th.

When you receive your 2023-2024 Tax Bill, it will arrive in a standard envelope and include (2) white return envelopes. This is a change from previous years, due to the increase in the cost of envelopes and to help reduce mail fraud.

These past few years, we have seen an increase in mail fraud. If you pay your own property taxes, not through your mortgage company, I highly suggest the use of our Online Payment Portal (Tax.IslipNY.gov) for the payment of your 2023-2024 property taxes. Using this portal will eliminate the chances of becoming a victim of mail fraud. You will also receive email reminders of important due dates.

However, if you choose to pay in person, our office will process payments starting in early-mid December, Monday - Friday from 8:30 am - 4:15 pm. For your convenience, we will be open late on Wednesday, January 10, 2024 until 7:00 pm, as this is the last day to pay your first half taxes without penalty.

It is truly my pleasure to serve the residents of this great town. Should you have any questions, please do not hesitate to contact my office at (631) 224-5580.

Holiday greetings to you and your family for a very joyous season and a Healthy and Happy New Year.

CLINICAL BASKETBALL TRAINING

Coach Bobby Patch has been a teacher and coach for 35 years. He is looking to improve the skill sets of boys and girls that want to receive, not only personal skills training, but "clinical training" as well. These clinics will incorporate each player's skill set into team and game situations. This will give the player the ability to learn floor spacing, offensive formations, as well as focusing on passing, shooting, defense, and rebounding. If you want to become a complete basketball player and get ready for the upcoming season, then these clinics are for you!

BRENTWOOD COUNTRY CLUB

As we enter the fall season, the preparation for the upcoming season is already underway. We aerated the greens in mid-September between all the raindrops. The fairways and tee boxes were aerated and overseeded soon after. Last season, we took on a reconstruction project on the green side bunker on the eighth hole.

The project was well received by all, a new and more challenging element to enjoy. We have similar improvement projects planned throughout the course this winter; we need cooperation from the weather to see them through. As in prior years, a comprehensive schedule focused on clearing and removing fallen trees and underbrush will continue. The clearing will increase airflow and sunlight, improving turf quality.

Weather permitting, the 2023 season will continue until Sunday, December 17th, and the 2024 season opens mid-March.

The staff at Brentwood Country Club wishes you and your family a healthy and safe off-season. We look forward to seeing you all in the New Year.

Doug Jansen, Head PGA golf professional

HOLBROOK COUNTRY CLUB

The 2023 golf season was another banner year for Holbrook country club. We have some exciting new projects underway for next year. We are extending some tees to accommodate the increased wear and tear of the season. The Town has purchased two new pieces of equipment for the grounds crew, a stump grinder and a brush clearer that will be essential for us to keep making the course more playable. We refitted the range with new mats and 5000 new Srixon range balls. We appreciate your continued support of the Islip golf courses as we strive to provide the best affordable golf on Long Island. Be safe and healthy and we will see you in the spring.
