Dear Business Owner:

We at the Town understand how invaluable our businesses and not-for-profits are to our Community and the local economy. That is precisely why I am pleased to let you know that together with the Town Board, the Town of Islip is recommitting some of the grant funding we received from the Federal Government's American Rescue Plan Act (ARPA). The Town of Islip is proud to establish Phase II of the K.I.T. (Keep Islip Thriving) Grant Program, re-offering pandemic relief funding to our small businesses and not-for-profits. Please note that this is a limited opportunity that will be available on a first-come, first-served basis.

We encourage all local businesses and not-for-profits to review the enclosed grant application and apply for the funding. Eligible candidates who can demonstrate a negative economic impact due to COVID, will be able to receive a maximum grant of \$10,000. No repayment is required. All applications should be submitted via email to islipcovidgrants@islipny.gov. For more information, or to download the application, I encourage you to visit our website www.islipny.gov or call our Office of Economic Development at 631-224-5512.

The Town Board and I remain committed to doing all that we can to ensure that our businesses, that have long been the backbone of our community, can successfully continue for years to come. We thank you for all that you do for our Town, and look forward to continuing to work together for all our residents.

Best Wishes,

Angie M. Carpenter

Islip Town Supervisor
