It shall be unlawful for any person to dispose of solid waste and recyclables from a residence, nonresidences or multiple residence in waste and recycling receptacles and containers placed by the Town of Islip on public streets or other location(s).

I. Penalties.

A violation of this subsection shall be considered a violation of the law and punishable by a fine no less than \$250 and no greater than \$1,000, or by a term of imprisonment not to exceed 15 days, or both. Nothing herein shall relieve said person or entity from removing said container, solid waste and recyclables, and restoring the property to its former condition, nor shall this section in any way restrict the Town from otherwise acting to remedy the violation pursuant to law; the offender shall be liable to the Town for the cost of collection, removal, storage and disposal.

§ 21-6 Recyclables generated at nonresidences and multiple residences. (Reserved)

~~A.~~ It shall be the responsibility of all persons owning or in possession of any nonresidence or multiple residence to provide for the separation of the solid waste generated at said nonresidence into recyclable components as defined in § 21-3 hereof.

~~B.~~ (Reserved)

§ 21-7 Disposal.

~~A.~~ Solid waste generated within the Town of Islip shall be disposed of only at a disposal facility unless otherwise provided herein. **Disposal Facility Designation.**

The Commissioner shall have the authority to designate a disposal facility operated by or on behalf of the Town of Islip or the Islip Resource Recovery Agency, for all refuse generated within the Town of Islip and for the use of all persons permitted to provide solid waste and recyclables services pursuant to this Chapter.

~~B.~~ It shall be unlawful for any person to collect, remove or transport any solid waste generated within the Town of Islip for disposal, processing, sorting or any other purpose to any location other than a disposal facility, except by condition of a permit issued pursuant to this chapter or with the approval of the Commissioner pursuant to § 21-10 hereof. **Exclusive Special Refuse and Garbage District Disposal.**

Solid waste and recyclables generated by the Special Garbage and Refuse District shall be disposed of only at a Disposal facility operated by or on behalf of the Town of Islip or the Islip Resource Recovery Agency unless authorized by the Commissioner.

1. A violation of this subsection shall be considered a violation of the Special Garbage and Refuse District Contract and punishable by a fine set forth in said contract.

~~C. The Commissioner shall have the authority to designate a disposal facility for all waste generated within the Town of Islip and for the use of all persons licensed to provide solid waste services pursuant to this chapter.~~ **Exclusive Solid Waste and Recyclables Disposal.**

It shall be unlawful for any person to collect, remove or transport any commercial solid waste and recyclables generated within the Town of Islip for disposal, processing, sorting, storage or any other purpose to any location other than a permitted disposal facility, except with the approval of the Commissioner following a plan submitted by the permit holder, pursuant to which recyclables commingled with solid waste collected at noresidences or multiple residences are to be extracted for sale or reuse, and the residue delivered to disposal facility. Any such plan shall contain, at a minimum, the following elements:

1. The name, location, container size and collection schedule of all customer stops to be included in the plan.
2. An estimate, supported by adequate documentation or other evidence, of the aggregate weight of the total solid waste to be collected under the plan on a monthly basis, seasonally adjusted.
3. An estimate, supported by adequate documentation, including identification of markets or buyers, of the types and aggregate quantities of recyclables collected or to be extracted from the solid waste collected under the plan on a monthly basis, seasonally adjusted.
4. Identification of the disposal facility or description of the method to be employed to extract the recyclables from the solid waste collected under the plan.
5. Financial security, in a form acceptable to the Commissioner, ensuring the payment of the Town of Islip tipping fees to be incurred by the delivery of the solid waste residue after extraction of recyclables pursuant to the approved plan, which security shall be drawn upon in the event that said residue is not delivered to Disposal facility operated by or on behalf of the Town of Islip or the Islip Resource Recovery Agency.
6. A plan approved pursuant to this subsection shall be subject to amendment, including temporary modifications, in the estimated amounts of solid waste, recyclables or residues to be collected or delivered, for good cause shown and upon prior notice to the Commissioner.
7. Persons holding solid waste and recyclables services permits from the Town on the effective date of this Chapter shall not be relieved of the obligation to deliver solid waste or recyclables collected to Town of Islip disposal facilities as a condition of said permit under the prior code.

~~D. It shall be unlawful for any person to place a hazardous substance out for collection with solid waste or recyclables in the Town of Islip or to collect, transport or dispose of hazardous substances in the Town of Islip without a license or permit to do so from the State of New York or other appropriate authority.~~ **Release of Exclusive Disposal.**

Upon a determination by the Commissioner that Islip disposal facilities are for any reason not available to receive all or part of the solid waste or recyclables collected by permit holders within the Town of Islip. Any release of a permit holder from the obligations of this section due to unavailability of Islip disposal facilities shall be effective for the duration of such unavailability, as determined by the Commissioner.

~~E. It shall be unlawful for any person to place regulated medical waste out for collection with solid waste or recyclables in the Town of Islip or to collect, transport or dispose of regulated medical waste within the Town~~

of Islip without a license or permit to do so from the State of New York or other appropriate authority. **Penalties.**

Any violation of this section shall be considered a violation of the law and punishable by a fine no less than \$1,000 and up to \$5,000 or a term of imprisonment up to fifteen days, or both, and may be subject to the conditions of §21-15 and §21-17.

F. Any violation of this section shall be considered a Class A misdemeanor and shall be punishable by a term of imprisonment up to one year or a fine of up to \$5,000, or both, and any such violations shall be subject to additional penalties as set forth in § 21-15 of this chapter. Any person, individual, partnership, association, firm, corporation or any and all combinations of individuals acting in concert found to be in violation of this section may be subject to additional penalties in accordance with the laws of the State of New York.

[Amended 8-31-1994] **Solid Waste and Recyclables Disposal Account.**

1. Fees, Dates of Issuance and Expiration, Default in Payment

a. Fees

~~C. All vehicles for which fees are paid pursuant to Subsection **B(1)** above shall, upon issuance of a permit, be provided with two Town of Islip decals indicating that the vehicle is permitted. These decals shall be securely fastened and conspicuously displayed on the vehicle at all times. In addition, all vehicles shall conspicuously display, in letters at least six inches high, the name and telephone number of the permit holder. It shall be unlawful for any person other than the permit holder to utilize such a vehicle for the provision of said waste services, without the express permission of the Commissioner, unless ownership or possession of the vehicle is lawfully transferred to such other person and a new permit issued.~~

[Added 8-31-1994] **Obligations of Collection Service Providers.**

1. Service Vehicles.

All vehicles used in service shall be permitted except those of which prior authorization is received from the Commissioner.

- a. Vehicle plaques and decals shall be securely affixed prior to service and conspicuously displayed on the driver's side of the vehicle at all times.
- b. Vehicles shall conspicuously display, in letters at least six inches high, the name and telephone number of the permit holder.
- c. It shall be unlawful for any person other than the permit holder to utilize such a vehicle for the provision of said waste services, without the express permission of the Commissioner, unless ownership or possession of the vehicle is lawfully transferred to such other person and a new permit issued.

2. Containers.

Prior to service, all containers used in service shall permitted and comply with the following:

- a. A container decal shall be securely affixed and conspicuously displayed nearest to the top right corner of the container exterior wall facing where a vehicle makes connection.
- b. All such containers shall be conspicuously labeled with the permitted name and telephone number of the person providing solid waste and recyclables services, and the volume of the container expressed in cubic yards.
- c. It shall be unlawful for any person other than the permit holder to utilize such a container for the provision of said waste services, without the express permission of the Commissioner, unless ownership or possession of the container is lawfully transferred to such other person and a new permit issued.
- d. A solid waste and recyclables collection provider shall provide the customer with a container for solid waste and/or recyclables sufficient for the customer's needs.
- e. It shall be unlawful for any solid waste and recyclables collection provider to allow for the placement of a container upon public roads, Town-owned property, rights-of-ways, and sidewalks, or in any way outside the confines of the parcel originating the refuse unless prior approval has been granted in writing by the Town of Islip.
- f. It shall be unlawful for any solid waste and recyclables collection provider to allow for the placement of a container less than four feet from a public road unless prior approval has been granted in writing by the Town of Islip.
- g. A solid waste and recyclables collection provider shall remove any solid waste or recyclable container provided by him within 14 days after solid waste and recyclables services are terminated.

3. Invoicing.

A solid waste and recyclables collection provider shall supply the customer with a bill specifying the solid waste and recyclables collection provider's name, telephone number and the rate charged per unit of solid waste and recyclables removed.

4. Penalties.

A violation of this subsection shall be considered a violation of law and shall be punishable by a fine of no less than \$250 and no more than \$1,000, or no more than fifteen days imprisonment, or both, and may be subject to the conditions of §21-15 and §21-17. Nothing herein shall relieve a person or entity from removing a container and restoring the property to its former condition, nor shall this section in any way restrict the Town from otherwise acting to remedy the violation pursuant to law; the offender shall be liable to the Town for the cost of collection, removal, storage and disposal.

D. Hours of Collection.

It shall be unlawful for any multiple residences or nonresidences service provider to collect solid waste and recyclables prior to 5:00am and not later than 8:00pm on Monday through Saturday; and no earlier than 6:00am and no later than 5:00pm on Sundays and the federal holidays of New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

1. A violation of this subsection shall be considered a violation of law and shall be punishable by a fine no less than \$500 and no more than \$2,000 or up to fifteen days imprisonment, or both, and may be subject to the conditions of §21-16.

§ 21-10 Obligations of permit holders; exceptions: Transfer Station/Recycling Center.

A. The issuance of a solid waste services permit shall obligate the holder to deliver all solid waste collected within the Town of Islip, excluding recyclables separated by commodity type and collected separately at the place of generation, to Town disposal facilities. **Permit Required**

It shall be unlawful for any person to operate a transfer station/recycling center within the Town unless said transfer station/recycling center is permitted pursuant to this Chapter. A permit to operate issued by any other regulatory agency does not grant allowance to operate without a permit issued by the Town.

1. Penalties.

A person found to be in violation of this subsection shall be guilty of a Class A misdemeanor and subject to a fine of not less than \$1,000 and no more than \$10,000 or no more than one year imprisonment, or both, and may be subject to the conditions of §21-15 and §21-17. Nothing herein shall relieve said person or entity from removing the solid waste and recyclables from the property, and restoring the property to its former condition, nor shall this section in any way restrict the Town from otherwise acting to remedy the violation pursuant to law; the offender shall be liable to the Town for the cost of collection, removal, storage, and disposal.

B. The Commissioner may release a permit holder from all or part of the obligation contained in Subsection A above under the following circumstances: **Site Requirements.**

Prior to the issuance of a permit for a transfer station/recycling center, an application shall be reviewed and approved by the Planning Division of the Town of Islip. Approval will be based on the following criteria and requirements:

- (1) 1. Upon approval by the Commissioner of a recycling plan submitted by the permit holder, pursuant to which recyclables commingled with solid waste collected at nonresidences or multiple residences are to be extracted for sale or reuse and the residue delivered to Town disposal facilities.

[Amended 8-31-1994] Submission of a site plan to the Planning Division. The plan shall include the precise location of all buildings, structures, employee and truck parking, loading, unloading and traffic areas, internal circulation, container storage areas, storage areas for recycling and any other information deemed pertinent to an adequate review of the proposal. All requirements for the submission and issuance of building permits and change of use permits shall be met.

(a) Any such plan shall contain, at a minimum, the following elements:

[1] The name, location, container size and collection schedule of all customer stops to be included in the waste stream included in the plan.

[2] An estimate, supported by adequate documentation or other evidence, of the aggregate weight of the total solid waste to be collected under the plan on a monthly basis, seasonally adjusted.

[3] An estimate, supported by adequate documentation, including identification of markets or buyers, of the types and aggregate quantities of recyclables to be extracted from the solid waste collected under the plan on a monthly basis, seasonally adjusted.

[4] Identification of the facility or description of the method to be employed to extract the recyclables from the solid waste collected under the plan.

[5] Financial security, in a form acceptable to the Commissioner, ensuring the payment of the Town of Islip tipping fees to be incurred by the delivery of the solid waste residue after extraction of recyclables pursuant to the approved plan, which security shall be drawn upon in the event that said residue is not delivered to Town disposal facilities.

(b) A plan approved pursuant to this subsection shall be subject to amendment, including temporary modifications in the estimated amounts of solid waste, recyclables or residues to be collected or delivered, for good cause shown and upon prior notice to the Commissioner.

(c) Persons holding solid waste services permits from the Town on the effective date of this chapter shall not be relieved of the obligation to deliver solid waste collected to Town of Islip disposal facilities as a condition of said permit under the prior code.

(2)-2. Upon a determination by the Commissioner that Islip disposal facilities are for any reason not available to receive all or part of the solid waste collected by permit holders within the Town of Islip. Any release of a permit holder from the obligations of this section due to unavailability of Islip facilities shall be effective for the duration of such unavailability, as determined by the Commissioner. A minimum lot areas of two acres and the right to require a greater lot area. Such requirement will be based on the scale of operation as measured by the size of the buildings proposed for the site, the volume of solid waste and recyclables handles on a daily basis and the requirements for vehicle parking and movement or a finding that the operation cannot be adequately screened from adjoining property.

3. A minimum distance of 200 feet from property zoned for residential use.

4. Submission of a route plan to indicate that traffic generated by the facility will have minimal impact on residential streets.

5. Provision of adequate lanes for vehicles entering the facility.
6. All sorting, bailing, processing, crushing and similar intensive activity associated with the facility, including the storage of all containers containing solid waste and recyclables and any other materials, shall be contained inside a completely enclosed building.
7. Outdoor use of the property shall be restricted to the parking and maneuvering of vehicles and the storage of empty containers.
8. The storage of said containers shall be restricted to locations specifically identified on the site plan. This equipment shall be located and screened in such a manner so as to not be visible from the street or from adjoining properties.
9. Parking and/or placement of vehicles, containers or any other equipment or materials in any way connected with the facility shall be prohibited on the street, paper roads, sidewalks, right-of-ways, property not owned by operator or of which expressed authorization from the property owner has not been granted.
10. Where feasible, truck loading and unloading areas shall not face the street.
11. A minimum of 20 feet of landscaping, including street trees in accordance with the Land Development Regulations of the Town of Islip, shall be planted and maintained along all street frontages.
12. An eight-foot-high chain link fence with stockade attached shall be installed and maintained directly behind said landscaped areas.
13. The maximum height of the facility shall not exceed 30 feet.
14. Protective barriers around those portions of the building vulnerable to damage from vehicle movements shall be provided.
15. Application for variances from the requirements governing minimum lot area and minimum distances from residences shall be made to the Planning Board.

C. Permit Fees, Dates of Issuance and Expiration, Contents of Application.

1. A permit application shall be made, in writing, on the form prescribed, submitted to the Town and accompanied by a permit fee and separate application fee as set forth by the permit fee schedule.

a. Incomplete permit applications, and permit applications personally delivered or postmarked after January 15 are subject to a non-refundable late fee set forth by the permit fee schedule which shall be submitted separately from permit application fees.

2. Issuance and Expiration.

A permit issued under this Chapter shall be valid one calendar year. Applications issued mid-year shall only be valid until the end of the calendar year.

3. Contents of Application.

- a. No permit shall be granted unless the applicant can produce a valid transfer station operating permit issued by the New York State Department of Environmental Conservation for the proposed site and further demonstrate that the proposed transfer station/recycling center is consistent with the Town's Solid Waste Management Plan.
- b. An application shall be made, in writing, on the form prescribed, and submitted to the Town.
- c. The application shall contain the name of the applicant or, if a partnership or corporation, the names of all partners, officers, directors and all persons holding 5% or more of a financial interest in said partnership or corporation. If the applicant is a corporation that is wholly or partially owned by another corporation, the parent corporation shall be identified, together with the names of the officers and directors of the parent corporation.
- d. The application shall contain the name of any individual applicant, partnership, officer, director or any person holding 5% or more financial interest in said business or corporation, who has been convicted of any crime or committed an act for which a civil sanction or penalty was imposed or is under indictment for any crime.
- e. The application shall contain the name of any solid waste and recyclables businesses that the applicant and persons holding financial interest in the applicant's company has done business as or held ownership in during the last five years.
- f. The application shall contain the name of any individual applicant, partnership, officer, director or any person holding 5% or more financial interest in said business or corporation that is Town employee or said person's relation to a Town of Islip employee(s).
- g. A permit application shall be accompanied by a notarized affidavit affirming compliance with Chapter §21.
- h. A permit application shall be accompanied by additional documentation as required by the Town.

D. Reporting.

The permit holder shall provide the Town of Islip with the following information on a quarterly basis:

1. Gross tons of mixed solid waste and recyclables received.
2. Gross tons of recyclables recovered from solid waste delivered.
3. Net tons of nonrecyclables solid waste reloaded onto vehicles for disposal.
4. Upon request, the permit holder shall provide the Town of Islip with the documentation to support the information required in this subsection.

5. Reports shall be submitted no later than 14 calendar days after each quarter end date. Quarter end dates of each year are determined as follows: March 31, June 30, September 30, and December 31.

6. Penalties

A violation of this subsection shall be a violation of the law and subject to a fine no less than \$25 per day, but not more than \$250 for the first such offense. Nothing herein shall relieve said person or entity from submitting quarterly reports.

E. Obligations.

1. Inspections.

Acceptance of this permit shall constitute consent to inspection of the premises during hours of operation by the Town for the purpose of ensuring compliance with this section.

2. Hours of Operation.

Hours of operation for all transport, sorting, baling, processing, crushing and similar intensive activity associated with the facility shall be restricted to 5:00am through 8:00pm.

3. Modifications.

Modifications to the permit holder's requirements of §21-10(B) and §21-10(C) shall be submitted within two business weeks of said change.

4. Penalties.

A violation of this subsection shall be considered a violation of law and shall be punishable by a fine of no less than \$500 and no more than \$1,500, or fifteen days imprisonment, or both, and may be subject to the conditions of §21-15 and §21-17. Nothing herein shall relieve said person or entity from removing the solid waste and recyclables from the property, and restoring the property to its former condition, nor shall this section in any way restrict the Town from otherwise acting to remedy the violation pursuant to law; the offender shall be liable to the Town for the cost of collection, removal, storage and disposal.

F. Nothing in this section shall exempt an applicant or facility from compliance with other requirements of the Islip Town Code.

§ 21-11 ~~Hours of collection~~ Donation Drop-off Bins.

~~No collections shall be made at multiple residences or nonresidences prior to 5:00 a.m. or at residences prior to 6:00 a.m., except with the prior approval of the Commissioner.~~

A. Permit Required. It shall be unlawful for any person or entity, except the Town of Islip or other municipal agency to maintain, place, empty or remove or cause to be maintained, placed, emptied or removed a donation drop-off bin without having first obtained a permit issued by the Town.

1. Penalties.

- a. A violation of this subsection shall be a violation of the law and subject to a fine no less than \$150 per day, but not more than \$1,000 and/or 15 days imprisonment for the first such offense. Nothing herein shall relieve said person or entity from removing the donation drop-off bin from the property, and restoring the property to its former condition, nor shall this section in any way restrict the Town from otherwise acting to remedy the violation pursuant to law; the offender shall be liable to the Town for the cost of collection, removal, storage and disposal.
- b. For each subsequent violation following a first offense, a violator of this chapter shall be punished by a fine of not less than \$250 per day, but not more than \$2,500 and/or 15 days imprisonment in a one-month period, and may be subject to the conditions of §21-16.

B. Fees, Dates of issuance and Expiration, Restrictions, Contents of Application.

1. A permit application shall be accompanied by a fee set forth by the permit fee schedule.

2. Issuance and Expiration.

A permit issued under this chapter shall be valid for one calendar year. Permits issued mid-year shall be valid until the end of the calendar year. Upon issuance of a permit, the permit holder will be provided with a decal assigned to each donation drop-off bin used in service.

3. Permit Restrictions.

- a. No person or organization can apply for more than fifteen (15) locations for donation drop-off bins.
- b. Property owned by the Town is not eligible for donation drop-off bin placement.
- c. Vacant and abandoned properties are not eligible for donation drop-off bin placement.
- d. A property is limited to the placement of a donation drop-off bin by one permit holder. Applications requesting the same property location will be approved in order or receipt by the Town.
- e. The quantity of donation drop-off bins placed on a parcel is limited as follows: a property less than one acre shall be limited to the placement of two donation drop-off bins; properties less than five acres will be limited to the placement of four donation drop-off bins. Properties exceeding five acres are limited to the placement of six donation drop-off bins.

4. Contents of Application; For-Profit Organization.

A permit application shall be made, in writing, on the form prescribed, submitted to the Town and accompanied by:

- a. The proposed address and description of the address where the bin is to be placed.
- b. The quantity of bins to be placed at the proposed location.

- c. A contract or written consent from the owner or managing agent of the proposed location allowing placement of the donation drop-off bin(s). Said consent will be accepted only on letterhead of the location owner or managing agent and must be notarized prior to submission.
- d. Information as to the manner and schedule for which the bin is to be emptied or removed.
- e. The destination of the donated items to be removed from the bin.
- f. The name, telephone number and a description of other distinguishing marking painted on the drop-off bin including photograph of consistent bin style, appearance, marking and paintings.

5. Contents of Application; Not-For-Profit Organization Persons requesting consideration as a Not-For-Profit organization shall provide:

- a. The application shall contain the information required in §21-11(B)(4).
- b. Section 501(c)(3) IRS determination letter.
- c. New York State Charities Registration identification number.
- d. Certificate of incorporation indicating a charitable purpose. Together with a tax identification number.
- e. A letter addressed to the Town on the not-for-profit's letterhead and signed by an authorized signatory stating that at least 25% of the revenue obtained from the donation drop-off bin is donated back to the not-for-profit.

C. Obligations.

- 1. A donation drop-off bin used in service shall be permitted as follows:
 - a. Each approved donation drop-off bin shall be assigned a permit number and issued a decal. Decals shall only be used on a donation drop-off bin assigned to the permitted location.
 - b. A permit decal shall be securely affixed and conspicuously displayed on each donation drop-off bin nearest to the top right corner of the exterior wall that has the opening used for the deposit of donations.
 - c. A permit holder's status as either Not-For-Profit or For-Profit shall be indicated in legible lettering no less than four (4) inches in height, nearest to the top of the bin on the deposit opening side.
 - d. The name and telephone number of the permit holder as written in the application shall be conspicuously labeled in legible lettering no less than 4" in height on the same side of the donation drop-off bin opening. Labeling of the charity purpose or organization for which the donation is made shall not relieve the permit holder of this obligation.

- e. It shall be unlawful for any person other than the permit holder to utilize such a donation drop-off bin without the express permission of the Commissioner, unless ownership or possession of the container is lawfully transferred to such other person and a new permit issued.

2. Placement

- a. Placement of a donation drop-off bin shall be limited to the permitted location on the parcel as designated by the Town.
- b. In the event a property becomes vacant or abandoned during the course of the calendar year, the permit holder shall remove the donation drop-off bin within 14 business days after notice from the Town.

3. Service and Maintenance

- a. A permit holder shall make collections sufficient to the volume of donations.
- b. A permit holder is responsible to maintain a minimum of six feet surrounding the donation drop-off bin free of all debris and litter. This shall not supersede the need for owners of a parcel to maintain their properties free of litter and debris as set forth in the Town Code.

4. Modifications to Permit

Modifications to §21-11(B) shall be submitted within two business weeks of said change.

5. Penalties

A violation of this subsection shall be considered a violation of law and shall be punishable by a fine as set forth in §21-11(A)(1) and may be subject to the conditions of §21-15 and §21-17. Nothing herein shall relieve said person or entity from removing the donation drop-off bin from the property, and restoring the property to its former condition, nor shall this section in any way restrict the Town from otherwise acting to remedy the violation pursuant to law; the offender shall be liable to the Town for the cost of collection, removal, storage and disposal.

§ 21-12 Transfer station/recycling center.Landscapers.

D. Disposal.

Agricultural waste generated in the course of compensated activity shall not be disposed of upon any public street, storm drain, vacant or abandoned property, right of ways, sumps, catch basins, waterways, Town property, privately owned property that is not inclusive of the parcel which landscaper services are obtained, or any location other than a disposal facility regulated to accept said waste.

1. Penalties.

A person in violation of this subsection shall be guilty of a Class A misdemeanor and subject to the penalties and conditions of §21-8 and §21-15. Nothing herein shall relieve said person or entity from removing the waste from the property or other location, and restoring the

property to its former condition, nor shall this section in any way restrict the Town from otherwise acting to remedy the violation pursuant to law; the offender shall be liable to the Town for the cost of collection, removal, storage and disposal.

§ 21-13 ~~Transfer station/recycling center permit.~~ (Reserved).

~~A.~~ A permit application shall be made, in writing, on the form prescribed by the Town Clerk and accompanied by a fee of \$750. A permit issued pursuant to this section shall be valid for one year and shall be renewable annually after submission of the required fee and application materials.

[Amended 8-31-1994]

~~B.~~ The application shall contain the information required in § ~~21-9B(2)~~ above.

[Amended 8-31-1994]

~~C.~~ No permit shall be granted unless the applicant can produce a valid transfer station operating permit issued by the New York State Department of Environmental Conservation for the proposed site and further demonstrate that the proposed transfer station/recycling center is consistent with the Town's Solid Waste Management Plan.

~~D.~~ The grant of a permit shall bind the applicant to provide the Town of Islip with the following information on a quarterly basis:

- ~~(1)~~ Gross tons of mixed solid waste and recyclables received.
- ~~(2)~~ Gross tons of recyclables removed from solid waste delivered.
- ~~(3)~~ Net tons of nonrecyclable solid waste reloaded onto vehicles for disposal.
- ~~(4)~~ Total container capacity of all nonresidential stops and multiple residence stops serviced by collection vehicles delivering mixed solid waste and recyclables to the facility.
- ~~(5)~~ Location and container capacity of all nonresidential and multiple residence stops located within the Town of Islip serviced by all collection vehicles delivering mixed solid waste and recyclables to the facility.

~~E.~~ (Reserved)

~~F.~~ (Reserved)

~~G.~~ (Reserved)

~~H.~~ (Reserved)

~~I.~~ Prior to the issuance of a permit for a transfer station/recycling center, an application shall be reviewed and approved by the Planning Division of the Town of Islip. Approval will be based on the following criteria and requirements:

- ~~(1)~~ Submission of a site plan to the Planning Division. The plan shall include the precise location of all buildings, structures, employee and truck parking, loading, unloading and traffic areas, internal circulation, container storage areas, storage areas for recycling and any other information deemed pertinent to an adequate review of the proposal. All requirements for the submission and issuance of building permits and change of use permits shall be met.

~~(2) A minimum lot area of two acres and the right to require a greater lot area. Such requirement will be based on the scale of operation as measured by the size of the buildings proposed for the site, the volume of solid waste handled on a daily basis and the requirements for vehicle parking and movement or a finding that the operation cannot be adequately screened from adjoining property.~~

~~(3) A minimum distance of 200 feet from property zoned for residential use.~~

~~(4) Submission of a route plan to indicate that traffic generated by the facility will have a minimal impact on residential streets.~~

~~(5) Provision of adequate lanes for vehicles entering the facility.~~

~~(6) All sorting, baling, processing, crushing and similar intensive activity associated with the facility, including the storage of all containers containing recyclable and any other materials, shall be contained inside a completely enclosed building.~~

~~(7) Outdoor use of the property shall be restricted to the parking and maneuvering of vehicles and the storage of empty containers.~~

~~(8) The storage of said containers shall be restricted to locations specifically identified on the site plan. This equipment shall be located and screened in such a manner so as to not be visible from the street or from adjoining properties.~~

~~(9) On-street parking of vehicles, containers or any other equipment or materials in any way connected with the facility shall be prohibited.~~

~~(10) Where feasible, truck loading and unloading areas shall not face the street.~~

~~(11) A minimum of 20 feet of landscaping, including street trees in accordance with the Land Development Regulations of the Town of Islip, shall be planted and maintained along all street frontages.~~

~~(12) An eight foot high chain link fence with stockade attached shall be installed and maintained directly behind said landscaped areas.~~

~~(13) The maximum height of the facility shall not exceed 30 feet.~~

~~(14) Protective barriers around those portions of the building vulnerable to damage from vehicle movements shall be provided.~~

~~J. Application for variances from the requirements governing minimum lot area and minimum distances from residences shall be made to the Planning Board.~~

~~K. Grant and acceptance of this permit shall constitute consent to allow inspection of the premises by the Town of Islip for the purpose of ensuring compliance with this section. Inspection shall be upon reasonable prior notice to the permit holder.~~

~~L. Nothing in this section shall exempt an applicant or facility from compliance with zoning or other requirements of the Islip Town Code.~~

~~§ 21-14 **Additional nonresidence and multiple residence requirements. (Reserved)**~~

~~A. A person who provides solid waste services to a nonresidence or multiple residence customer shall:~~

~~(1) Provide the customer with a container for solid waste and/or recyclables sufficient for the customer's needs. All such containers shall be conspicuously labeled with the name and telephone number of the person providing solid waste services and the volume of the container, expressed in cubic yards.~~

[Amended 8-31-1994]

~~(2) Within one week of a request by the customer, provide solid waste services to any nonresidence or multiple residence within 1/2 mile of any other such customer to whom the person provides solid waste services or arrange for another person to provide such services or provide such services after being ordered to provide such services by the Commissioner.~~

~~(3) Specify on each bill to a customer the rate charged per unit of solid waste removed and the rates charged per unit of recyclables serviced.~~

~~(4) Remove any solid waste container provided by him within 21 days after solid waste services are terminated.~~

~~B. Notwithstanding any other provisions of this section to the contrary, the Commissioner shall have the authority to direct the person providing solid waste services to immediately remove, or, in the alternative, to direct Town personnel to immediately remove, any waste in a container remaining uncollected for a period of seven days or more or any waste which by its nature or condition presents an immediate nuisance or threat to the public health. In the event that the Town removes said waste, the person providing the container shall be liable to the Town for the cost of collection and disposal.~~

[Added 8-31-1994]

§ 21-15 Denial, suspension and revocation of accounts, permits and registrations; penalties for offenses.

~~A. Notwithstanding any other provision of this chapter, the Town Clerk, pursuant to Chapter 50B of the Town Code, or the Town Board may refuse to issue, renew, or may suspend, or revoke a permit issued to any person if such permittee account holder, permit holder, registrant or applicant or any person having a financial interest therein is convicted of a crime, has outstanding monies owed to the Town, knowingly submits fraudulent information to the Town -or is otherwise determined to be undesirable or incapable of properly rendering solid waste services fulfilling requirements of this Chapter.~~

~~B. The issuance of a solid waste services permit under this chapter shall obligate the holder to the payment of a civil penalty and/or the suspension or revocation of the permit granted hereunder if, after notice and hearing and by a preponderance of the evidence, the holder is found to have violated the conditions of the permit as set forth in this chapter. Civil penalties shall be imposed for violations of this chapter pursuant to the following schedule:~~**Suspension**

~~(1) For a first violation the penalty shall be \$2,500.~~

~~(2) For a second violation within three years, the penalty shall be \$5,000.~~

~~(3) For a third or subsequent violation within any three-year period, the penalty shall be \$10,000.~~

~~(4) A third or subsequent violation within any three-year period shall, in addition, subject the permit of the violator to suspension or revocation by the Town Board.~~

Suspension of an account, permit or registration shall be no less than 12 months and subject to an additional definite period as determined by the Town.

- i. Any suspension ordered pursuant to this Chapter may be accompanied by such terms and conditions imposed by the Town which may provide reasonable assurance that the permit holder does not engage, directly or indirectly, in the provision of Chapter 21 services and violations in the Town during the term of suspension.
- ii. A violation of the terms and conditions of any suspension shall be grounds for revocation of the permit.

C. Any suspension of a permit pursuant to this chapter shall be for a definite period of up to one year, which period shall be deemed to extend into the term of the next renewed permit if the term of suspension is longer than the period remaining under the instant permit. Any suspension ordered pursuant to this chapter may be accompanied by such terms and conditions imposed by the Town Board which may provide reasonable assurance that the permit holder does not engage, directly or indirectly, in the provision of solid waste services in the Town during the term of suspension. Violation of the terms and conditions of any suspension shall be grounds for revocation of the permit. **Revocation**

Any revocation of an account, permit or registration shall preclude the former permit holder as an individual and, if, a partnership, its partners and, if a corporation, all partners, officers, directors and all persons holding 5% or more of a financial interest in said partnership or corporation at the time of revocation from engaging in the business of providing solid waste and recyclables services in the Town of Islip for a minimum period of five years and subject to an additional definite period as determined by the Commissioner.

1. Any such former permit holder may apply for a new permit after the expiration of period. In considering In considering such an application, Town of Islip, may, in its discretion, and in addition a to any other relevant information, consider such mitigating or aggravating factors as the nature of the incident or incidents giving rise to the revocation, the relative culpability of the applicant in said incident and the past history of the applicant in Islip or other licensing jurisdictions.
2. Nothing in this section is intended or shall be construed as creating a right to the reinstatement of any account, permit or registration after the expiration of five years or any other period of time.

D. Any revocation of a permit pursuant to this chapter shall preclude the former permit holder as an individual and, if a partnership, its partners and, if a corporation, its officers, directors and shareholders holding over 5% of the stock of said corporation at the time of revocation from engaging in the business of providing solid waste services in the Town of Islip for a minimum period of five years. Any such former permit holder may apply for a new permit after the expiration of said five-year period; provided, however, that all such applications shall be approved or denied by majority vote of the Town Board. The Town Board, in considering such an application, may, in its discretion, and in addition to any other relevant information, consider such mitigating or aggravating factors as the nature of the incident or incidents giving rise to the revocation, the relative culpability of the applicant in said incident and the past history of the applicant in Islip or other licensing jurisdictions. Nothing in this section is intended or shall be construed as creating a right to the reinstatement of any permit after the expiration of five years or any other period of time.

§ 21-16 Administrative hearings.

A. Hearings conducted pursuant to this chapter shall be had upon at least 10 no less than 14 days' after issuance of a certified written notice or service of process has occurred to the permit holder setting forth the

specific nature and circumstances conditions of the alleged violation, of the conditions of permit. The notice will specify the time and place for said hearing.

B. The burden of proof in establishing a violation shall be upon the Town.

C. Hearings shall be held before a hearing officer appointed by the Commissioner. The hearing officer shall be the Commissioner, Deputy Commissioner or executive officer of a department of the Town, other than the Department of Environmental Control. The hearing officer shall have the power to set the time and place of the hearing, grant recesses and adjournments, rule upon motions and requests, rule upon the admissibility of evidence and make findings of fact.

D. The permit holder may be represented by counsel.

E. Witnesses shall be sworn and subject to cross-examination. A stenographic record of the proceedings shall be kept.

F. Evidence submitted shall be relevant and may include evidence as to the history and character of the permit holder if a suspension or revocation of the permit is potentially at issue. Hearsay evidence shall be admissible, but shall be accorded such weight as the hearing officer deems appropriate, consistent with its reliability.

G. Findings of fact shall be made by the hearing officer, in writing, upon a preponderance of the evidence.

H. Upon a finding that a violation is proved, the Commissioner shall impose the monetary civil penalty which shall be applicable pursuant to the following schedule:

1. For a first violation the penalty shall be \$2,500.
2. For a second violation within three years, the penalty shall be \$5,000.
3. For a third or subsequent violation within any three-year period, the penalty shall be \$10,000.
4. A third or subsequent violation within any three-year period, shall, in addition, subject the permit of the violator to suspension or revocation by the Town Board.

I. If, as a result of a finding of violation, the permit of the violator is subject to suspension or revocation, the Commissioner, in addition to imposing the appropriate monetary civil penalty, shall forward the findings of fact and the record of the hearing to the Town Board. The Town Board may determine to take no further action and so notify the permit holder. In the alternative, upon at least 10 days' written notice to the permit holder and the public, but not later than 90 days after the close of the administrative hearing, the Town Board may convene a public hearing solely to determine whether, on the basis of the violation found, the past history and performance of the permit holder and such other evidence as the Board may receive at the public hearing, the permit should be suspended or revoked. A public hearing commenced for this purpose may be adjourned for such reasonable periods as the Board deems necessary to receive and evaluate the evidence. Within 30 days of the close of the public hearing, the Board shall determine whether the permit shall be suspended or revoked and, if suspended, the period of suspension or whether no further action shall be taken.

J. In the event of any denial of an application for a permit or any denial or disapproval of a recycling plan proposed hereunder or upon the finding of a violation and the imposition of any administrative penalty after hearing pursuant to this chapter, the applicant or holder of the permit against whom such action is taken may appeal the determination of the Commissioner or the Town Clerk to the Town Board of the Town of Islip by

filing with the Town Clerk a written request for the review of said determination within 30 days of the date of said determination. All such requests for review shall be in writing and shall contain a full and complete statement of the reasons for reversal or modification of said determination, including any supporting documentation. The Town Attorney, on behalf of the Commissioner or the Town Clerk, shall have the opportunity to reply to the request for review. The Town Board shall render its decision to uphold, reverse or modify the determination at issue within a reasonable time thereafter. The decision of the Town Board shall be in writing and shall be final.

K. No penalty imposed by any determination hereunder shall be effective until 30 days after said determination, unless a request for review is filed, in which case said penalty shall not be effective until the Town Board renders its decision.

§ 21-17 Seizure of evidence.

~~A. By a vehicle's entry into a disposal facility, the owner and operator of that vehicle shall be deemed to consent to the searches and seizures hereinafter provided.~~**Impoundment**

Notwithstanding any other provisions of this Chapter, the Commissioner shall have the authority to direct the person providing solid waste and recyclables services to immediately rectify the violation, or in the alternative, to direct the Town or Islip Resource Recovery Agency to immediately remove, any equipment, container, and donation drop-off bin in violation of this Chapter, or that presents an immediate nuisance or threat to public health. The Town may also bring an action or proceeding to enjoin the offense and to recover the costs incurred by remedying conditions brought about by the offense of this Chapter.

6. Fees.

All reasonable and necessary expenses for impounds, including without limitation the cost for removal, storage, disposal and administrative costs, shall be a charge against the offender. The Commissioner of the Department of Environmental Control shall establish a schedule of charges.

7. Notification to Owner.

The Town shall make an inquiry concerning the last owner of the impounded equipment identified as follows:

1. With permit and registration identification numbers.
2. With clear lettering of the name and telephone number on the equipment.
3. With examination and dialogue with the property owner or managing agent of the property where the violation occurred.

8. Redemption.

The owner or person entitled to possession of the impounded equipment may redeem it any time up to the time ownership vests in the Town upon submission of adequate proof of ownership or entitlement and payment of all charges.

9. Forfeiture.

Failure or refusal to claim impounded equipment and reimburse the Town for all costs within 30 days from the date of impound, shall be deemed forfeiture and said equipment shall thereupon vest the Town.

B. Any vehicle which enters a disposal facility may be searched and its contents examined by Town employees to determine compliance with the rules and regulations of that facility governing delivery of materials to that facility. **Consent to Search and Seizure.**

By a vehicle's entry into a disposal facility operated by or on behalf of the Town of Islip or the Islip Resource Recovery Agency, the owner and operator of that vehicle shall be deemed to consent to the searches and seizures hereinafter provided.

C. Any police officer shall have the power to seize without a warrant, for conservation, health, safety or evidentiary purposes, any material he has cause to believe is a hazardous substance or regulated medical waste collected or transported through the Town in violation of the applicable provisions of this chapter. Any material seized under this subsection and determined to be a hazardous substance or regulated medical waste shall be disposed of as deemed appropriate by the Commissioner, and any costs associated with such disposal shall be assessed against the person or persons in possession of said materials. Any vehicle which enters a disposal facility may be searched and its contents examined by Town employees to determine compliance with the rules and regulations of that facility governing delivery of materials to that facility.

D. Any police officer shall have the power to seize without a warrant, for conservation, health, safety or evidentiary purposes, any vehicle he has cause to believe has been or is being knowingly used to unlawfully dump, store, transport or dispose of any solid waste, including hazardous substances, regulated medical waste, tires or other materials. A seized vehicle may be forfeited as hereinafter provided. Any police officer shall have the power to seize without a warrant, for conservation, health, safety or evidentiary purposes, any material he has cause to believe is a hazardous substance or regulated medical waste collected or transported through the Town in violation of the applicable provisions of this chapter. Any material seized under this subsection and determined to be a hazardous substance or regulated medical waste shall be disposed of as deemed appropriate by the Commissioner, and any costs associated with such disposal shall be assessed against the person or persons in possession of said materials.

E. The seized vehicle shall be delivered by the police officer having made the seizure to the custody of the Town Attorney, together with a report of all the facts and circumstances of the seizure, as soon as practical under the circumstances. Any police officer shall have the power to seize without a warrant, for conservation, health, safety or evidentiary purposes, any vehicle he has cause to believe has been or is being knowingly used to unlawfully dump, store, transport or dispose of any solid waste, including hazardous substances, regulated medical waste, tires or other materials. A seized vehicle may be forfeited as hereinafter provided.

F. It shall be the duty of the Town Attorney to inquire into the facts of the seizure so reported to him and, if it appears probable that a forfeiture should be incurred for the determination of which the institution of proceedings in the Supreme Court is necessary to cause the proper proceedings to be commenced, at any time within 30 days from the date of seizure, to declare such forfeiture, unless, upon inquiry and examination, the Town Attorney decides that such proceedings cannot probably be sustained or that the ends of public justice do not require that they should be instituted or prosecuted, in which case the Town Attorney shall cause such seized property to be returned to the owner thereof. The Town Attorney shall make his determination as to whether or not it appears probable that a forfeiture has been incurred within one business day after the delivery of the vehicle to his custody. A seized vehicle by a police officer shall be delivered having made the seizure to the custody of the Town Attorney, together with a report of all the facts and circumstances of the seizure, as soon as practical under the circumstances.

G. Notice of the institution of the forfeiture proceeding shall be served either personally on the owner of the seized vehicle or by registered mail to the owner's last known address and by publication of the notice once a week for two successive weeks in a newspaper published or circulated in the Town. It shall be the duty of the Town Attorney to inquire into the facts of the seizure so reported to him and, if it appears probable that a

forfeiture should be incurred for the determination of which the institution of proceedings in the Supreme Court is necessary to cause the proper proceedings to be commenced, at any time within 30 days from the date of seizure, to declare such forfeiture, unless, upon inquiry and examination, the Town Attorney decides that such proceedings cannot probably be sustained or that the ends of public justice do not require that they should be instituted or prosecuted, in which case the Town Attorney shall cause such seized property to be returned to the owner thereof. The Town Attorney shall make his determination as to whether or not it appears probable that a forfeiture has been incurred within one business day after the delivery of the vehicle to his custody

H. Forfeiture shall not occur where the owner establishes, by a preponderance of the evidence, that the use of such seized vehicle in violation of this chapter was not intentional on the part of the owner or that said seized vehicle was used in violation of this chapter by any person other than an owner thereof while such seized vehicle was unlawfully in the possession of a person who acquired possession thereof in violation of the criminal laws of the United States or any state. Notice of the institution of the forfeiture proceeding shall be served either personally on the owner of the seized vehicle or by registered mail to the owner's last known address and by publication of the notice once a week for two successive weeks in a newspaper published or circulated in the Town.

I. The Town Attorney, having custody of the seized vehicle after such judicial determination of forfeiture, shall, at his discretion, either retain such seized property for the official use of the Town or, by a public notice of at least five days, sell such forfeited property at public sale. The net proceeds of such sale, after deduction of lawful expenses incurred, shall be paid into the general fund of the Town. Forfeiture shall not occur where the owner establishes, by a preponderance of the evidence, that the use of such seized vehicle in violation of this chapter was not intentional on the part of the owner or that said seized vehicle was used in violation of this chapter by any person other than an owner thereof while such seized vehicle was unlawfully in the possession of a person who acquired possession thereof in violation of the criminal laws of the United States or any state.

J. Whenever any person interested in any property which is seized and declared forfeited under the provisions of this section files with a Justice of the Supreme Court a petition for the recovery of such forfeited property, the Justice of the Supreme Court may restore said forfeited property upon such terms and conditions as he deems reasonable and just, if the petitioner establishes either of the affirmative defenses set forth in Subsection H of this section and that the petitioner was without personal or actual knowledge of the forfeiture proceedings. If the petition is filed after the sale of the forfeited property, any judgment in favor of the petitioner shall be limited to the net proceeds of such sale after deduction of the lawful expenses and costs incurred by the Town Attorney. The Town Attorney, having custody of the seized vehicle after such judicial determination of forfeiture, shall, at his discretion, either retain such seized property for the official use of the Town or, by a public notice of at least five days, sell such forfeited property at public sale. The net proceeds of such sale, after deduction of lawful expenses incurred, shall be paid into the general fund of the Town.

K. No suit or action under this section for wrongful seizure shall be instituted unless such suit or action is commenced within two years after the time when the property was seized. Whenever any person interested in any property which is seized and declared forfeited under the provisions of this section files with a Justice of the Supreme Court a petition for the recovery of such forfeited property, the Justice of the Supreme Court may restore said forfeited property upon such terms and conditions as he deems reasonable and just, if the petitioner establishes either of the affirmative defenses set forth in Subsection I of this section and that the petitioner was without personal or actual knowledge of the forfeiture proceedings. If the petition is filed after the sale of the forfeited property, any judgment in favor of the petitioner shall be limited to the net proceeds of such sale after deduction of the lawful expenses and costs incurred by the Town Attorney.

L. No suit or action under this section for wrongful seizure shall be instituted unless such suit or action is commenced within two years after the time when the property was seized.

§ 21-18 Clothes dropoff bins(Reserved).

[Added 9-9-2008 by L.L. No. 9-2008#; amended 12-16-2008 by L.L. No. 14-2008; 10-13-2010 by L.L. No. 11-2010]

A. Definitions. As used in this chapter, the following terms shall have the meanings indicated:

~~(1)~~ The person wishing to obtain a dropoff bin permit shall complete a registration application in such form as to be acceptable to the Islip Town Clerk. Such application shall include but not be limited to:

- ~~(a)~~ The name, address and telephone number of the person, applying for the permit;
- ~~(b)~~ The proposed location/address where the bin is to be placed, together with the estimated duration of occupancy;
- ~~(c)~~ The name, telephone number and written consent of the owner of the location at which the bin is to be placed;
- ~~(d)~~ The name, address, and telephone number of the person who will be placing the bin;
- ~~(e)~~ Information as to the manner and schedule for which the bin is to be emptied or removed; and
- ~~(f)~~ The destination of the clothing or other items to be removed from the bin.

~~(2)~~ Permitting fees:

~~(a)~~ Not for profits: An application permitting fee of \$100 shall be charged in advance for each one-year period the bin is in place at the permitted locations. Said permitting fee of \$100 shall cover the fees for all bins placed by the not for profit. Said fee shall be paid to the Islip Town Clerk in cash or by check. At the time of payment of said fee, proof that the registrant is a recognized § 501(c)(3) charitable organization must be submitted to the Islip Town Clerk in at least two of the following formats:

- ~~[1]~~ Section 501(c)(3) IRS determination letter or letter of good standing from the state or federal government oversight agency;
- ~~[2]~~ Certificate of incorporation indicating a charitable purpose, together with a tax identification number;
- ~~[3]~~ A letter addressed to the Islip Town Clerk on the not for profit's letterhead and signed by an authorized signatory stating that at least 25% of the revenue obtained from the clothing bin is donated back to the not for profit.

~~(b)~~ For profit businesses: An application permitting fee of \$100 per bin shall be charged in advance for each one-year period the bin is in place at the permitted locations. Said fee shall be paid to the Islip Town Clerk in cash or by check.

~~(3)~~

a:

D. Permit number. Each approved permit application shall be given a permit number issued by the Islip Town Clerk that shall be affixed to the bin as required by this chapter and shall identify the bin as a for-profit or not-for-profit bin.

E. Penalties for offenses: continuing offenses:

(1) In addition to any penalty that may be imposed for an offense against the Penal Law, any person violating the provisions of this chapter shall be guilty of a violation, punishable by a fine of not less than \$150 per day, but not more than \$1,000 for the first such offense.

(2) For each subsequent violation following a first offense, a violator of this chapter shall be punished by a fine of not less than \$250 per day, but not more than \$2,500 in a one-month period. The Town may also bring an action or proceeding to enjoin the offense and to recover the costs incurred by the Town for removing and/or storing the bin or otherwise remedying conditions brought about by the offense of this chapter.

(3) In the event that the Town of Islip or any of its agencies is required to retrieve a bin that is in violation of this chapter, the Town may also bring an action or proceeding against the owner or registrant or for-profit or not-for-profit to enjoin the offense and to recover the costs incurred by the Town for removing and/or storing the bin or otherwise remedying conditions brought about by the offense of this chapter. Storage fees shall be \$25 per day.
